

Go Green. Go Coach.

# Go Gentry Trailways.

## GO IN STYLE AS YOU TRAVEL GREEN.

Gentry Trailways is now offering MCI motor coaches that are environmentally friendly. The luxurious coaches offer the same great quality and amenities, but are equipped with cleaner burning engines with fewer emissions.

Traveling by motor coach is not only fun, but is naturally green. It also provides these convenient services:

- GPS tracking system
- Wireless Internet capability
- Satellite TV

## GO IN STYLE AS YOU TRAVEL COMPACT.

For smaller groups, Gentry Trailways has a 29 passenger bus that is also environmentally friendly with cleaner burning engines. This cost-effective mini-bus offers:

- Large, comfortable reclining seats with foot rests
- DVD players and monitors
- Oversized windows for better sightseeing
- Individual reading lights and wide aisles
- Fully air conditioned and heated
- Overhead storage and rear luggage compartment
